EMPLOYMENT EXPERIENCE

Functional Capacity Evaluator, Life Care Planner, and Physical Therapy Rehabilitation Consultant

Center for Career Evaluations, Walnut Creek, CA

2012 to present

CCE is a private vocational rehabilitation agency that provides professional consultation, vocational evaluation, functional capacity evaluation, and life care services for clients referred from worker's compensation, governmental, medical, employer, and legal sources. Duties include the provision of functional capacity evaluations, work simulations, ergonomic work-site assessments, job analyses, life care plans, home care assessments, loss of household services, standards of care in physical rehabilitation, and expert witness services.

Functional Capacity Evaluation Consultant and Owner

Industrial Care Consultants, Oakland, CA

2011-2012

Duties: functional capacity evaluations, ergonomic work-site evaluations and training, job analyses, home care assessments, and expert witness services.

Physical Therapist

Washington Care Rehabilitation Skilled Nursing Facility, San Leandro, CA

2010-2012

Duties: neurologic and orthopedic physical therapy services for geriatric patients.

In-Home Physical Therapist

Professional Health Care at Home, Pleasant Hill, CA

2007-2010

Duties: home-based physical therapy services for patients with neurological, orthopedic, and pulmonary conditions.

Physical Therapist and Owner

Momentum Physical Therapy, Oakland and Richmond offices, CA

1999-2007

Duties: outpatient physical therapy services to patients with orthopedic and neurologic conditions, hand therapy, aquatic therapy, work conditioning, and functional capacity evaluations.

Physical Therapist

Home Health Plus, East Bay, CA

1990-2000

Duties: independent physical therapy contractor providing home-based services for patients with neurologic, orthopedic, cardiac, and pulmonary conditions.

Director and Physical Therapist

Parkview Convalescent Hospital, Rehabilitation Department, Hayward, CA

1989-1990

Duties: supervised a staff of physical, occupational, and speech therapists, provided in-service training, coordinated program development, and provided physical therapy services.

Physical Therapist

Physical Therapy Registries, San Diego and Beverly Hills, CA

1987-1990

Duties: physical therapy services in both acute hospital and outpatient orthopedic settings.

TEACHING EXPERIENCE

Curriculum Developer and Instructor

Career Smart Learning, Brea, CA

2012-2013

Developed curriculum and presentations for three training modules: *Measuring the Fifth Vital Sign: Pain; FCE Module I; and FCE Module II* – ISYS Continuing Education Program. The course information was used to train nurse case managers, insurance adjusters, and vocational rehabilitation counselors in the use of functional capacity evaluations and the assessment and measurement of acute and chronic pain.
